Tracking and delivery attempts

A tracking link is sent by SMS and email as soon as your order is dispatched. The courier makes up to 3 delivery attempts. If all 3 attempts fail, the order is returned to our warehouse and refunded, minus the original shipping charge.

Damaged parcels

If the outer box looks damaged or tampered with, please refuse the delivery. If you notice damage only after opening, report it within 48 hours of delivery with photos of the box and the product, so that we can arrange a free replacement.

4. Returns and Refunds

Return window

Most products can be returned within 10 days of delivery. Phones and laptops have a shorter return window of 7 days. Returns must be booked from the 'My Orders' page; we then arrange a free pickup from your address within 2 working days.

Condition of returned items

Unopened items in their original sealed packaging get a full refund. Opened electronics that work correctly can still be returned, but a 15% restocking fee is deducted from the refund. Items must include all accessories, manuals and free gifts that came with them.

Items that cannot be returned

- Earphones and in-ear headphones once the seal is broken (for hygiene reasons).
- Software licences, gift cards and digital download codes.
- Products damaged by the customer, including water damage.
- Items bought in the 'Clearance' section, which are marked final sale.

Refund timelines

Once the returned item passes our quality check, the refund is started within 2 working days. Refunds go back to the original payment method and usually arrive within 5 to 7 working days. Refunds for Cash on Delivery orders are paid to your bank account or as Kestrel Store Credit, whichever you choose; Store Credit is issued instantly and never expires.

5. Warranty

Standard warranty

Every new product comes with a 1-year Kestrel standard warranty from the date of delivery, unless the manufacturer offers a longer one. Batteries are covered for 6 months. The warranty covers manufacturing defects only.

What the warranty does not cover

- Physical damage such as cracked screens or dents.
- Liquid or water damage, even on products marketed as water-resistant.
- Damage caused by unauthorised repairs or by using non-original chargers.
- Normal wear and tear, including scratches and fading.

Kestrel Care+ extended warranty

Kestrel Care+ extends the warranty by 1 or 2 years and also covers one accidental screen damage repair per year. It costs Rs. 499 per year for products under Rs. 15,000 and Rs. 999 per year for products of Rs. 15,000 or more. Care+ must be bought within 30 days of delivery and is not available for refurbished products.

Making a warranty claim

Raise a claim from the 'My Orders' page and upload a short video showing the problem. We collect the product, repair it at an authorised service centre, and return it within 10 to 15 working days. If the same fault happens 3 times within the warranty period, we replace the product with a new one.

6. Kestrel Points Loyalty Programme

Earning points

Every account is automatically part of Kestrel Points. You earn 1 point for every Rs. 100 you spend, counted on the final amount paid after discounts and excluding shipping and COD fees. Points are added 15 days after delivery, once the return window has closed. Writing a product review with a photo earns a bonus of 20 points.

Using points

Every 100 points can be redeemed for a discount of Rs. 50. You need at least 200 points to redeem, and points can pay for at most 20% of an order's value. Points expire 12 months after they are earned.

Membership tiers

Tier	Spend in the last 12 months	Benefits
Silver	Up to Rs. 24,999	Standard points
Gold	Rs. 25,000 to Rs. 74,999	1.5x points, free Express delivery
Platinum	Rs. 75,000 or more	2x points, free Express delivery, priority support line

Your tier is reviewed on the first day of every month. If your spend drops below the level for your tier, you move down one tier; you never drop more than one tier at a time.
